

MY LITTLE HOUSE & MY LITTLE FARM

FUN, UNIQUE FELT TOYS THAT BUILD EARLY LANGUAGE AND VOCABULARY

Created by a Speech Pathologist,
My Little House & My Little Farm are interactive, reversible,
3D felt playhouses for kids ages 3-7.

- ▶ **My Little House** and **My Little Farm** come out of the box flat, like 4-panel felt boards, and easily transform into reversible 3D felt structures.
- ▶ All panels have velcro seams which make assembly simple for little hands.
- ▶ Reversible, so kids can stick felt pieces on the outside, or flip it around and match on the inside.
- ▶ Can also be played flat; perfect for group or solo play.
- ▶ Vibrantly colored panels and felt cutouts.
- ▶ 30+ matching felt pieces that stick; each with purpose.
- ▶ Each window is a different shape.
- ▶ All felt cutouts address early language concepts, and feature a variety of early prepositions, colors, shapes and sizes.
- ▶ **My Little House** and **My Little Farm** come with an insert that explains the key early language concepts.
- ▶ **My Little House** has 37 matching felt pieces, all objects found in the home.
- ▶ **My Little Farm** has 32 pieces, including farm objects, adorable animals and a multi-ethnic family of four.
- ▶ In addition to matching, **My Little Farm** also has an area for creative free play, where kids can put create their own stories.
- ▶ Vibrantly colored panels and felt cutouts.
